# Top Class Entry for Season Opener

Welcome to the North Glos. road race season opener. After last Octobers' very wet "Return to Combe" meeting we can but hope for better weather although one thing is certain, todays entry promises some excellent racing.

Heading a top class 4 stroke contingent is club champion Dave Whittal-Williams who has forsaken the stock frame of his spectacular, if somewhat, ill handling Suzuki superbike for a Peckett & McNab chassis to house the potent GS1000 motor. Dave will be a favourite tor todays 1000cc and F1 races but won't have things all his own way.

Posing a strong threat will be international campaigner and 1980 North Glos. club champion Les Burgan who has a brand new Harris framed Yoshimura Suzuki. Welsh flier Keith Ferrell, the current F1 champion, will line up on a very quick 998 Kawasaki and keep a close watch on Stephen Bateman who has the ex Trevor Nation Suzuki. Steve, as will be remembered, put in some impressive performances on the agile but underpowered veetwin Ducati last season, so it will be interesting to chart his progress today.

Top runners in the 500cc class must include Barry Seward, last years 250 champion who moves to the senior class with an RG entered under his own Pompey Tyres banner; Jon Horne, third in last years 500 Marlboro A.C.U. Clubmans series, also Suzuki mounted; as are Bristol's Dave Needham and former top class sidecar star Alan Bale.

Trevor Nation, 4th in last seasons BP Motorcourse series, heads an impressive 350 entry which includes Andy Hayman, runner up in the 350 Marlboro Clubmans championship; Dave Needham, who rode brilliantly here last year and local star Roy Kennedy, who today makes his return to North Glos. events, having fully recovered from his accident at the Silverstone Clubmans finals last September. He is armed with a brace of London Road M/c's Yamahas and will also be a front runner in the 250cc event.

For some real hectic dicing look no further than the three wheeler battles. The sidecar boys always put on a great show, last years 5 meetings producing a different winner each time. With three of them, Roger Cox, Colin Bernard and Chas Greatrex down to ride, todays racing should be no exception.

The action doesn't stop there! We have 2 production events; anyone who witnessed the epic Alan Hockin/Royston Keen battle at Combe last season will know not to miss the proddie excitement, there's the thundering fourstrokes only events, the classic race and last but by no means least, the single cylinder 250 battle where last years championship ended with Roger Kilbey, Roger Martin and Dave Whittal-Williams tied on points. Roger Kilbey taking the title with race wins and race records.

Gary Pinchin

## IN THE INTEREST OF SAFETY

**The Organisers make it a condition of entry that all motor cyclists — competitors and spectators — wear safety helmets at all times when riding on or around the airfield.**

**Failure to comply with this regulation will result in removal from the meeting.**
